

**Tabel de clasificare a candidaților la concurs după soluționarea contestațiilor**

**Notă:** conform art. 28 alin. (5) și art. 29 alin. (1) din Regulamentul privind organizarea și desfășurarea concursului de admitere la Școala Națională de Grefieri, aprobat prin Hotărârea Plenului Consiliului Superior al Magistraturii nr. 173/2007, sunt declarați admiși candidații care au media de cel puțin 6.00, dar nu mai puțin de 5.00 la fiecare probă de concurs, în ordine descrescătoare a mediilor, în limita numărului de locuri scoase la concurs (140), dacă îndeplinesc condiția privind buna reputație. Conform art. 29 alin. (2) din Regulament, în cazul în care ultima medie de admitere este obținută de mai mulți candidați decât locurile rămase, Consiliul Superior al Magistraturii va decide suplimentarea locurilor scoase la concurs, iar dacă aceasta nu este posibilă, departajarea se va face în funcție de notele obținute la disciplinele de concurs, în ordinea prevăzută de art. 22, respectiv Procedură penală, Procedură civilă și Organizare judiciară.
