Tabel privind rezultatele definitive obținute de candidați după cele două etape ale concursului

**Notă:** Conform art. 30 din Regulamentul privind admiterea la Institutul Național al Magistraturii, aprobat prin Hotărârea Plenului CSM nr. 114/2023, "După cele două etape ale concursului sunt declarați admiși candidații care au obținut calificativul "admis" la interviu, în ordinea descrescătoare a notei obținute la prima etapă a concursului, stabilite conform art. 17 alin. (4), în limita numărului de locuri de auditori de justiție, respectiv a numărului de posturi vacante de personal de specialitate juridică asimilat judecătorilor și procurorilor scoase la concurs."

**Notă:** Conform art. 31 alin.
